Memo (2)

Orders are solicited for (1) the employment of an extra peon on Rs 5, for whom provision was inadvertantly omitted in the municipal Budget of Seringapatam, and (2) for the grant of a monthly allowance of at least 5 Rs. if Rs 10 is considered too much to the Native Pandit

May the sanction be accorded for the employment of a peon, which is not a new one but the continuance of a sanctioned hand, for whom provision was by mistake omitted.

(2) The Court declined to sanction the continuance of the monthly allowance to the Native Vydia in Seringapatam Please see office pte and 1st Committee Minutes thereon

This is an unsanctioned item & may be formally sanctioned

same having usual charges, but by mistake in this office, the item of the peon was not included in the budget estimate submitted to Government. This occurred long before I joined this Sub Division.

2. The Services of the Octroi peon are necessary and the Amildar explains that as the charge was a usual one, he disbursed pay to the peon on the understanding that ~~his proposal~~ the proposal made by him would be sanctioned

3. As regards the nature Punch it is to be explained that he was getting the allowance since 1893-94, but that in 1896, it was disallowed by G pending the examination of his registers. Mr. Punchanatha Rao my predecessor in office having submitted report No 733 of 19th January 1897, the Deputy Commissioner supported his recommendation and sent it up for sanction of

To,

The Deputy Commissioner
Mysore District

Sir,

With reference to your memo Nos 293 & 4 of 25th June and 3rd July 1897 forwarding for compliance copies of the Comptroller's docket No 2574/47 of the 17th June and Government order No 61-2/LFH 32-95 of 2nd July 1897, I have the honor to state that the Amildar of ~~proposed~~ provided for the Seringapatam Taluk the continuance of the octroi peon and the native Pundit in his Budget Estimates for 1896-97, the

Government.

4. In my humble opinion the Pundit deserves every encouragement. His services during the recent out-break of cholera were simply in-valuable. He has kept a regular dispensary and treats all patients who go to him. He has maintained a register of the patients treated by him. The people of Seringapatam have great confidence in the efficacy of his treatment. The Pundit fully deserves the monthly allowance of Rs 10/- recommended by my predecessor. If this is considered too much, the allowance of Rs 5/- formerly granted to him may at-least be restored.

5. I therefore solicit the favor of your obtaining the sanction of Government to the employment of the octroi peon and the retrospective Pundit with effect from the

14th June 1896.

I have the honor to be
